Paper chains

Cut along the dashed lines to make ten strips. Loop the first strip and glue the ends. Thread the next strip through and glue. Keep going.

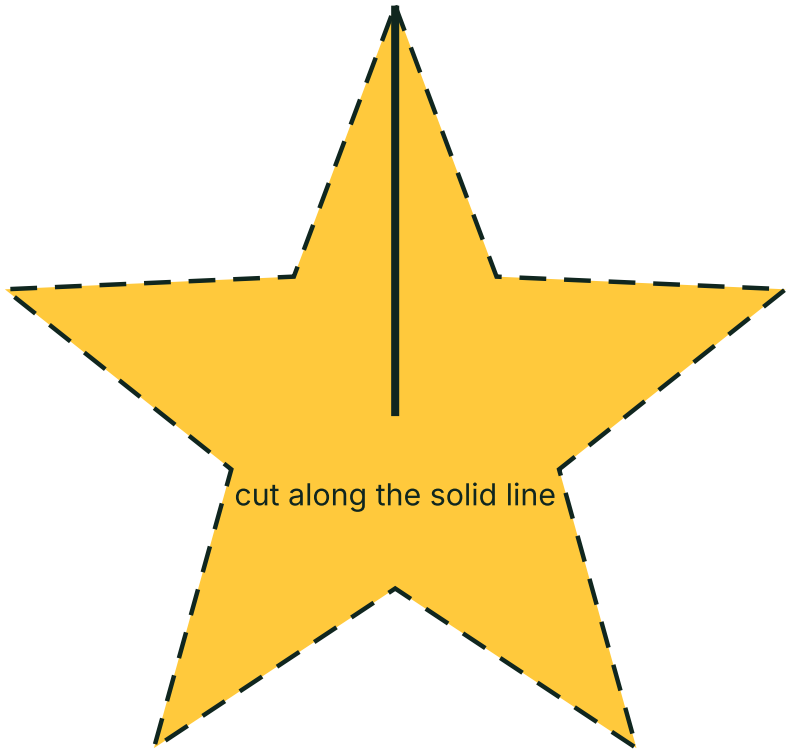

Gift tags

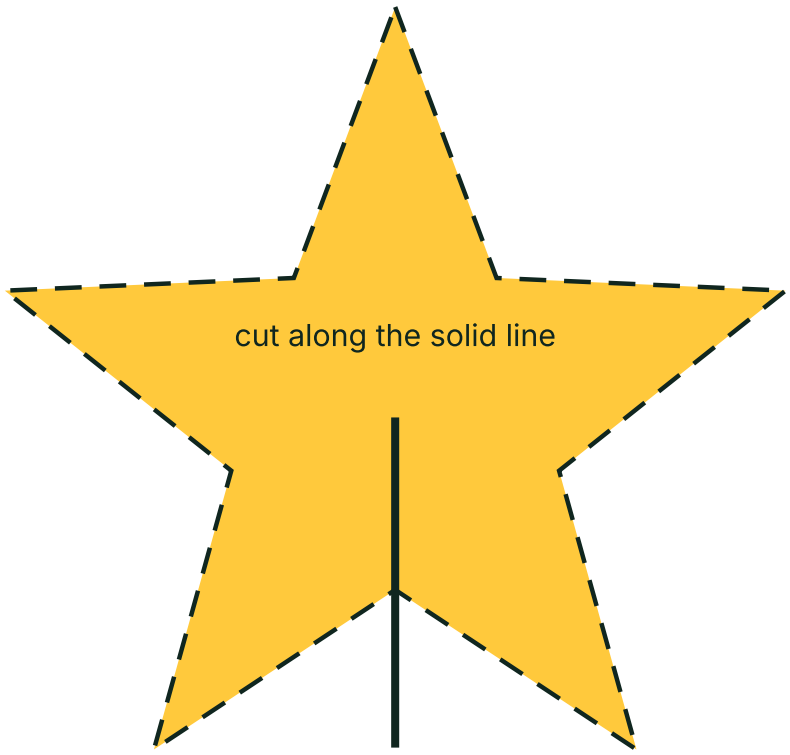

Cut out each tag, punch a hole in the white circle and thread with string or ribbon. Thin card works best.

A star for the tree

Cut out both stars. Cut the slot in each along the solid line. Slide one star into the other to make a star that stands up. Thin card works best.

Santa sign

Cut out the sign. Tape it to a stick for the lawn, or put it in the front window on Christmas Eve.

SANTA,

please stop here!

We have been good this year.

write your names on the line

Colour in: Santa is on the phone

Who is he ringing? Colour him in, then write the name of the person he is calling.
